

How to Access Google Classroom Via Your Mobile Phone

- 1) Find the **App store** app on your mobile phone home screen

- 2) Using the search icon in the bottom right corner, search **Google Classroom**.

Click **get** and download the app

- 3) When you first click on the app it will ask you for your mosslands user name.

This is the:

- 1) Year you joined (e.g. 2017 would be 17)
- 2) Your surname
- 3) Your first initial
- 4) @mosslands.co.uk

Google

Sign in

Use your Google Account. You'll also sign in to Google services in your apps.

[Forgot email?](#)

[Create account](#)

Next

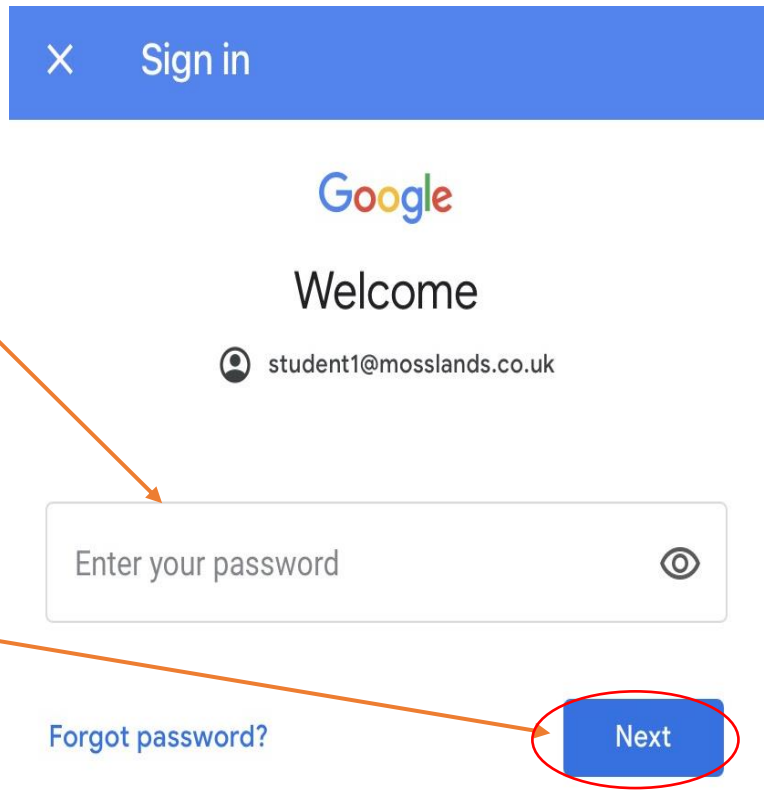

Once you have done this click **Next**

- 4) Once you have inputted your Mosslands user name the app will then ask you to input your **password**.

This is the same password you use in your lessons when accessing google classroom.

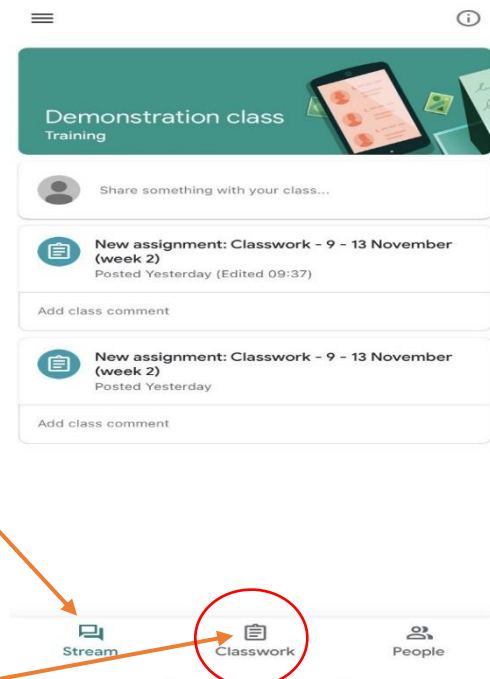

If you have forgot your password you need to email ICTsupport@mosslands.wirral.sch.uk for support.

Once you have done this click **Next**

- 5) Once you have logged on you should see all your classes as shown below:

This will show the **Stream** for your class

To see all your classwork click on the **Classwork** link

6) Once you have clicked on classwork you will see your classwork which will be labelled as described in student guidance.

Classwork

Click on the classwork which is labelled for the **current week** to access your classwork.

📄 Classwork - 9 - 13 November (week 2)
No due date

Basketball

📄 Classwork - 9 - 13 November (week 2)
No due date

7) Once you have clicked on the classwork you will be presented with a screen as shown below:

<
Classwork - 9 - 13 November (week 2)
💬 Add class comment

Here you will find your **classwork instructions**

Complete the following 3 tasks that include a fitness workout, a sports based documentary and a skills video that is relevant to what your year group is currently doing within PE lessons. Once you have completed the work use the turn it in button to show your class teacher that the work is complete.

- task 1 - Body coach full body workout
- task 2 - Kobe Bryant documentary and worksheet and what made him a superstar
- task 3 - Watch skills video on dribbling, use any ball you have around the house to practice your dribbling technique

Any video attachments or PowerPoint slides
