Google Classroom Simple Guide

Accessing Google Classroom

- You need to have internet access to use Google Classroom
- Go to <u>classroom.google.com</u> or search for Google Classroom in the search box

Join a Class with the Class Code

- Click the + on the top right of the page to Join Class. • Enter the Class Code given to you by your teacher, and click Join. • The codes are case sensitive so make sure you copy them Class code Ask your teacher for the class code, then enter it here. carefully • Once you have entered the class code click on Join in the Class code top right hand-corner of the screen Class code Join Ask your teacher for the class code, then enter it here. Class code uwirf4y
- Important you will have many classes which you will need to join so you need to repeat this process until you have joined all the classes sent to you.
- Your Google Classroom homepage will look like the example below

9T3 Science Science Department	9En3 Mra Howley Mra Howley Due Wednesday "Foggier yet, and colder? Home	9P3 Mathe Mr Starr Due today homework Hegarty	9TBS2 Entarprise Miss McGlone	Year 9 Music Mr P Jackaon
