

Alton Towers Trip

Your task is to plan a day out to Alton Towers for you and your family. You have a budget of £250 and must not spend a penny more.

Things to consider:

- The cost of the tickets
- Are you going to take a picnic or eat in a café there?
- How are you going to get there? Are you going by car or train?
How much will petrol or train tickets cost?
- Are you going to buy a souvenir?

You may think of some more yourself.

You need to produce a detailed plan of your day and how you are going to spend your budget.
