Tips and Tricks

Watch online or offline

Ask your child to download Pods to their mobile device so they can learn on the go!

Favourites

Challenge your child to 'favourite' 10 Pods on topics they find difficult. Watch the Pods together and use one of our other suggested learning techniques to help simplify what it is they're struggling with.

Personalised Playlists

Use the My Playlists area to create bespoke playlists. Having personalised playlists means your child has fast access to Pods that will help fill knowledge gaps.

Support Homework

GCSEPod isn't just for revision, it's to help expand your child's subject knowledge. If your child is struggling with a piece of homework, you can search for the topic on GCSEPod and use the Pods as an additional resource.

Quizzes

Turn it into a competition and reward your child for correctly answered questions. If you're stuck on what questions to ask, head over to our 'Quiz Your Child' crib sheet!

Memory Cards

Watch Pods together and then write down key facts, dates, diagrams and quotes. Test their knowledge to see how much they remember.
