Open Evening Student Helpers

A big thank you to all the boys who helped in school last night, they were an absolute credit to themselves and to the school. Well done to all concerned.

Sixth Form

We are delighted to announce the appointment of our head prefect, James Hoey and his two deputy head prefects, Joe Egan and Jamie Gardner. James, Joe and Jamie will be meeting next week to create a team of prefects who will then be responsible for working with all year groups on various activities in and out of school. Any student who is interested in becoming a prefect should make themselves known to the team.

Year 12 Meet the Form Tutor - This event is scheduled to take place on Tuesday 28th September, 4-5pm. All parents of students in Year 12 should have received a letter containing information about how to book their online appointments. We are hoping that as many parents as possible will attend to enable us to give you an insight into how your son/daughter has

settled into Sixth Form. If you have not received your letter, please contact Mrs Brunton in the Sixth Form office or email datateam@mosslands.wirral.sch.uk.

Bursary - All bursary applications should be in school by now and will be processed next week. We are hoping for payments to begin w/c 11th October. Any money owed will be backdated to 6th September.

Bicycle Safety

Please ensure you continue to remind boys who cycle to school of the need to do so safely. Bicycles should not be ridden on pavements and the rules of the road must be observed for the safety of cyclists, other road users and pedestrians.

Library

As we continue to celebrate author Kevin Brooks, this week we are focusing on his novel *Johnny Delgado: Private Detective*. When Johnny decides to become the detective of his local estate, he thinks he's got it all figured out. However, things start to spiral out of control when he becomes tangled up in local gangs and discovers the name of the person who killed his dad. Johnny is on a quest for the truth, but can he discover it before the gangs of the estate take over? This is a great, gritty and short read for our dyslexic, reluctant and struggling readers and is in the library now!
