Friday 7 th January	Year 9 Normal Timetable Resumes

News

Merry Christmas and a Happy New Year

We would like to wish all our pupils and parents a happy, restful and safe Christmas and we look forward to seeing everyone safe and well next term.

January 2022

Arrangements for testing at the start of term have been sent home to parents this week. On days when students are being tested, they do not need to wear school uniform, but must wear a face covering. Students will return home once they have been tested. From Wednesday onwards, students who are not in school should engage with remote learning. A small group of students will not be required to attend for COVID testing and that includes any student who has had a confirmed COVID infection in the last 90 days.

Consent given for students to be tested given earlier this year will stand and for those parents/carers who now wish to have students tested or amend previous consent please use the consent form link below.

<https://forms.office.com/r/gGZhdLWJuK>

Please see the attached testing schedule for more details.

Lost Property

An email was sent home yesterday showing just some of the many items of lost property we have in school. If you recognised anything in the photos, you have until early January to come into school to claim your items. Any unclaimed items will be sent to charity mid-January.

Year 11 Intervention

This will not run during the first week back, a new timetable will be issued in January.

Hampers

A big thank you to everyone who donated towards the Christmas hampers for the residents of Mosslands Drive. We were able to create over 100 hampers. The boys in our Protective Services Academy did an amazing job packing and delivering these to our local community. They even made a lovely lady cry (tears of joy of course) and sang a Christmas carol to another elderly resident who lives across the road.

School Council

Year 10 school council boys raised money to buy presents for our cleaning staff, canteen staff and site managers. They have had a busy week wrapping presents, writing cards expressing their appreciation for the work staff do, and distributing presents. Students have also been out on the corridors supporting our cleaners with litter collection, thank you to the Sixth Form students who supported with this: Jude Keith, Dom Quirk, Charlie McAllister-Davies and Ben McEwan. They have been speaking to students during lunchtime about the importance of recycling and keeping our school clean.

Library

We had another successful Readathon this week with 25 students reading nonstop throughout Monday, some reading as many as 6 books! If you would like to donate to this worthy cause, please use this link: https://readathon.secure.force.com/sponsor/r4g_paysponsorshippayment?accountId=0012000001RfDWFAA3&type=sponsorship or you can sponsor a specific pupil that took part on their own page here: <https://readathon.secure.force.com/sponsor> Thank you for your continued support with this event!

Art Department

You can follow us on Instagram at [mosslands_art](https://www.instagram.com/mosslands_art) to see some fabulous examples of the work produced by our students.

Fundraising for Mosslands

Don't forget to order your online shopping through "Easyfundraising.com" to help raise money for school.
