News

Year 11 Mock Examinations

These take place Wednesday to Friday next week with boys being expected in school only when they have an examination on those three days. Normal timetable for Year 11 resumes on Monday 21st March.

On Monday and Tuesday, Year 11 boys will be doing a mock practical as part of their Hospitality & Catering course. The real practical assessment will take place on 29th March.

Year 11 Transition

Mrs Danher is again offering parents of students in Year 11 the opportunity to come into school to discuss their son's plans for his post 16 education.

Next week these sessions will be held as below:

Faraday Tuesday 15th March 3.30-6.30pm

Grenfell Wednesday 16th March 2.30-5.30pm

Ruskin Thursday 17th March 3-6pm

Please contact her via email

sixthform@mosslands.wirral.sch.uk or ring the school office and ask for Mrs Brunton to arrange an appointment.

Year 7 Parents' Evening

All parents of boys in Year 7 should have received an invite to this virtual event on Tuesday. If you have not received an invite, please email datateam@mosslands.wirral.sch.uk.

Competition Winner

Click on the link below to read about Year 7 student Larry Marsh who entered his story in a nationwide writing competition along with 1200 other students across the country and was selected as North West winner, a fantastic achievement. Larry's story will be published in a book alongside those of the other winners. <https://www.educatemagazine.com/wirral-pupil/>

Year 7-10 Tuition Program

All students who have received letters about the school tuition program and replied have been invited to a group on Google Classroom. Could you please direct your son to accept this invite so that he can start the tuition next week? On this Google Classroom group, there will be information specific to your son about what time the tuition starts and where it will take place. If there are any questions,

please ask your son to speak to Mr Baas in A13 or email the school FAO Mr Baas.

Library

In honour of Women's History Month, we are recognising the incredible voices and stories of women. Here are a few books by female authors that explore and celebrate the history of women, the female voice and identity or simply tell a compelling story. I am Malala by Malala Yousafzai, Throne of Glass by Sarah J. Maas, I am Not a Number by Lisa Heathfield, The Enigma Game by Elizabeth Wein and Smith: Ultimate Football Heroes by Charlotte Browne. All of these books are available in the library now!

Over the next couple of weeks, a list of overdue library books will be handed to tutor groups to help remind your son of any books he may have had out for a while. Please could you encourage him to return any late library books as soon as possible. Thank you!

Keep up to date with the latest library events, book recommendations and much more by following us on Instagram @library_mosslands.

STE@M

Year 7 will be off timetable on Tuesday 15th March for a special event celebrating British Science Week. The theme this year is growth so we will be learning how to grow our own food, where food comes from and how to make food production more sustainable for the future. The day is entitled Field to Fork and Beyond. We look forward to an exciting day of science and agriculture on Tuesday.

On Wednesday, a group of boys from Year 9 will be visiting Liverpool University's Computer Science Department on a Computer Science Taster Day. Subjects covered during the visit will include password cracking, drone and robot programming and cryptography.

On Friday, staff and students will be visiting St George's Primary School to take part in workshops on the concept of growth.

ON TRACK

British Science Week.

Year 9 Immunisations

These will be held on Monday 28th March. The letter with instructions on how to register your son for these vaccinations was sent out last week and can also be found on our website.

Year 11 Support

Year 11 support sessions are available after school. Please see the timetable sent out each week with the newsletter.

Revision guides are available to buy at school for maths both GCSE and A level. They are available to buy on ParentPay or by cash at the school office at a substantial discount.

Art Department

You can follow us on Instagram at [mosslands_art](#) to see some fabulous examples of the work produced by our students.

Fundraising for Mosslands

Don't forget to order your online shopping through "Easyfundraising.com" to help raise money for school.
