	KS4 Text to Film Club 3.10-4pm AX7
Friday 10 th June	New York Trip
	Staff Appreciation Day

News

A Message from Mr Whiteley

This year appears to be flashing by and we find ourselves at half term break. My congratulations to the 6th Form, Year 11 and some of Year 10, who are already well into their examinations. The response we've had so far to the papers has been exceptional and I am sure they will receive their rewards in the summer.

In celebration of the Queen's Jubilee, we will be planting some trees on the school grounds with a commemorative plaque and I thank all the parents for their support in this project.

I would also like to thank the boys who have worked with our Protective Services Academy for all of their efforts in the Harrison Park Community Project. It's heart-warming to see them taking an interest in making the community a better place for everybody. A group of Year 8 students have been up Moel Famau with the PSA and despite the poor weather, they had an enjoyable day out. It's really good to see the enrichment programme coming back to life. Finally, I would like to wish good luck to all of those boys who are heading to New York on the football tour in June. I wish you all a safe holiday and look forward to seeing everyone back in school on Monday 6th June.

Year 8 & 9 Immunisations

HPV immunisations will take place in school on Thursday 9th June. A letter about the immunisations was emailed home to all parents in years 8 and 9 at the end of April. If you have not yet registered your son for his vaccination, you can find a copy of the letter in the parent letters section of the school website. Any queries should be sent directly to the School Age Immunisation Team as per the letter.

Punctuality

Just a quick reminder to all parents that students should be on the school site at 8.45 am, ready to be in their classrooms for period 1 at 08.50. Arrival in lessons after 8.50 will be marked as late on the register and subject to a detention at the end of the day, unless a very good reason for lateness is provided. Good punctuality is a skill for life, which will be essential when students leave education and begin their working lives. Students who are late in the morning are also missing learning opportunities.

Barcelona Trip

A reminder that the second deposit of £100 is due by Tuesday 31st May. Please ensure this payment has been made preferably by ParentPay before that date.

Active Citizenship

This week, a group of 15 Faraday boys assisted local volunteers at Harrison Park in making bottle beehives, fixing the steps for the NHS flowerbeds, planting new flowers, painting new planters and a mass litter pick. The boys worked really hard and were a credit to the school.

Careers

Please see attached flier for a recruitment event on 8th June for anyone interested in a career in early education and childcare.

Medication In School

If you have any questions or concerns regarding medication in school, please contact the SEND Department.

Art Department

You can follow us on Instagram at art_mosslands to see some fabulous examples of the work produced by our students.

Fundraising for Mosslands

Don't forget to order your online shopping through "Easyfundraising.com" to help raise money for school.
