Free Summer Holiday Tuition

Dear Parent/Carer

All throughout this academic year, the school has been running free tuition for selected students in small groups. This has been incredibly successful, with over 600 hours of tuition completed. There is now the possibility to extend this into the summer holidays for any students who are interested. Small group tuition has been proven time and again to significantly improve pupil progress and can easily cost upwards of £30 per hour when going through an agency.

Tuition will be done in small groups of about three students and can be completed online, in the school

building or at home in some circumstances. This tuition is not compulsory; however, students are expected to attend if they have asked for a slot. There is **no charge** for the tuition the school is offering.

As the tuition is in small groups, the timing is flexible. However, this tuition would not run into the next academic year. Students would be expected to complete around 4-6 hours of tuition over the summer, one hour each week.
Tuition is offered in the following subjects only: English, maths, science, history, geography, modern foreign languages and computer science.

If you would like your son/ward to be offered tuition, please email me via the school office, marking your email FAO Mr Baas **admin@mosslands.wirral.sch.uk**.

In your email, please state the full name and form of your son and the subject you wish to be offered tuition in.
