Dear Parent/Carer,

## GCSE results day

I am writing to inform you about the arrangements for results day.

Results for all GCSE examinations will be available from **10.00am on Thursday 25<sup>th</sup> August 2022** in the **Sixth Form Centre**. Your son/ward is welcome to attend from this time to collect his statement of results. You are also welcome to attend with him. The certificates for these results will not arrive in school until the end of November 2022. You will be contacted nearer the time regarding collection arrangements. Please ensure that your contact details are kept up to date so that we can inform you.

If your son/ward is not able to collect his results in person, he has three choices:

1. He can nominate somebody to collect the results on his behalf. He should provide written consent for this to happen.
2. He can bring into school a self-addressed envelope with a stamp and results can be sent in the post on that day.
3. Results can be sent via email but can only be sent directly to his email account through Google Classroom.

I have attached an information sheet that may be useful in answering any further questions that you may have.

If your son/ward is returning to Sixth Form, I have enclosed information regarding the uniform that can be worn. I have made a small amendment to the original uniform policy by taking into account the comments from the students. My preference would be that all students are dressed in business attire especially as I regularly receive feedback from parents and visitors about how smart the students look. However, I recognise that for some, wearing a suit may not be comfortable or financially viable. I have therefore provided an alternative that still allows for students to be dressed smartly. I am a firm believer that clothes and presentation communicate volumes about a person. Dressing smart is also important for your confidence and sense of self-empowerment.

Enrolment day for Sixth Form will take place on **Tuesday 6<sup>th</sup> September 2022**. Further information will be distributed on GCSE results day once your son has spoken with a member of the team to confirm that he is accepting his place at Sixth Form. There will be three Year 12 form groups; L6F, L6G & L6R. Unless I am told otherwise, your son/ward will remain in the same house that he has been in throughout years 7 – 11 and will simply transfer to the relevant tutor group. He will find out who his form tutor will be and the location of his form room in September.

If you have any further questions or queries, I can be contacted using any of the following:
