News

Year 11 Mock Examinations

Year 11 are on mock examinations for the next two weeks. They are only required in school when they have an examination and when not in school should be revising. Normal timetable for Year 11 resumes on Monday 5th December.

Faraday Challenge

Faraday boys have been busy with their challenges this week. We will have a full report in the newsletter next week.

STE@M

Mosslands is a participating partner with local primary and secondary schools in the Ogden Trust Wallasey Partnership. As part of the partnership, we work to promote physics and the other sciences. On Saturday 5th November, the launch event was run at St George's and as a reflective exercise, a

participating Year 7 "Science Busker" had this to say....

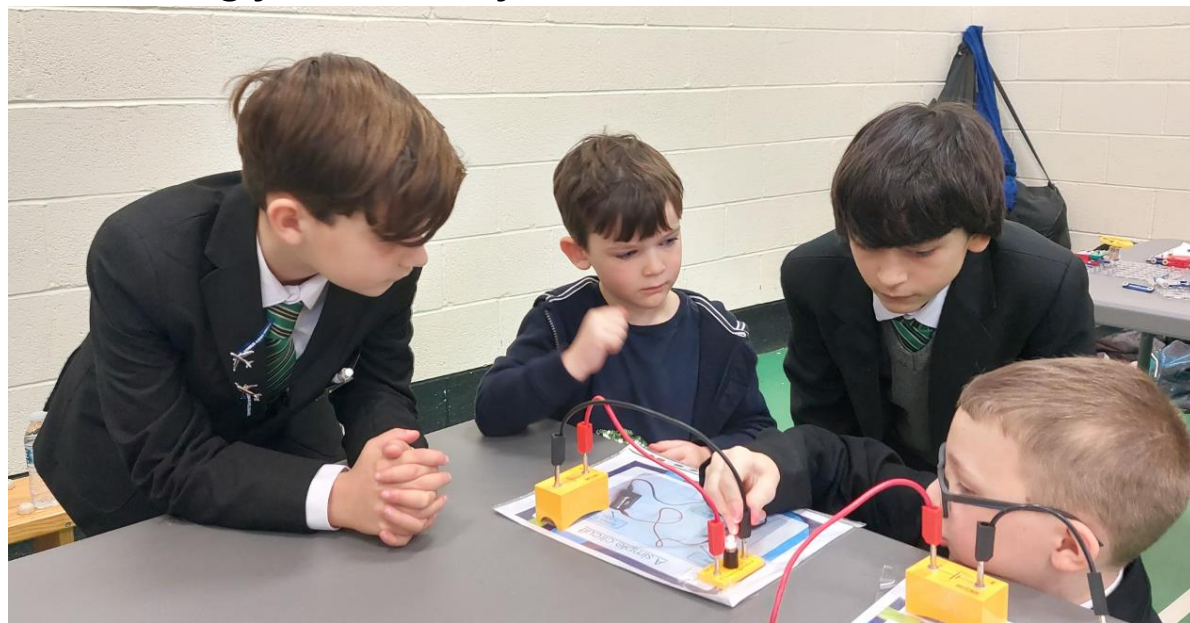

*I really enjoyed being involved in the science fair
I was proud to be representing Mosslands on the
circuits table with my friends*

*We worked well as a team, teaching others, old and
young how to create simple circuits, testing materials
and giving them challenges*

I like passing on my knowledge to people

*It was good to meet so many people and get to see
experiments from other schools*

I'm looking forward to future STEM events.

Bikeability

We are excited to be working with BikeRight to offer Bikeability Level 1/2 combined courses for boys in years 7-9 in the week commencing 8th May 2023. Please click on the link below for more information about the course and to provide consent for your child to participate.
