Year 11 Mock Examinations

Year 11 mock examinations continue next week. Students are only required in school when they have an examination and when not in school should be revising. Normal timetable for Year 11 resumes on Monday 5th December.

Class Charts

We are using a new behaviour management software called Class Charts. This allows us to quickly record and monitor both sanctions for poor behaviour, and rewards for good behaviour. It also has apps for both parents and students. The Class Charts app also allows teachers to communicate with parents.

If you have not already signed up, please make sure you have downloaded the app and signed in as soon as possible. If you need any support with this app, please contact the school office and appropriate support will be offered. Parents and students will need specific codes to register and login.

Sixth Form

Applications for our Sixth Form are now open. Students can apply using the following link:

<https://forms.office.com/r/cb2Ezg1cKL>

Sixth Form Open Evening will be held on ***Tuesday 24th January 2023***, but Mrs Danher will be offering opportunities for parents and students to attend bespoke sessions once mock exams are finished. Letters will be sent home via email. If you would like any further information about our Sixth Form and the courses on offer, please check out our website or contact us at sixthform@mosslands.wirral.sch.uk

Punctuality

Good punctuality at school is essential for students to achieve their full educational potential. It is also vital for students to form good habits for later life. All students are expected to arrive punctually for school in the morning. The expectation is that all students should be on site by 8.40am and in their form room ready to start the day at 8.45am.

We would ask parents to support us in maintaining good punctuality by:-

- Ensuring their child wakes up in plenty of time to be ready and prepared for school.
- Ensuring their child has organised their bag and equipment the night before so that this does not delay departure in the morning.
- Discussing any issues of lateness to ensure this does not become a habit.
- Monitoring their child's attendance record when it is sent home and looking for patterns of lateness.

Sanctions will be put in place for students who are late to school without a valid reason and persistent issues with punctuality will be addressed with parents. If you are aware that your child is likely to be late to school, please inform the school office, the relevant house office or our attendance officer, Mrs Kennedy.

National Tutoring Programme

As part of the National Tutoring Programme, we are looking for people in the community who are proficient in tutoring either maths, English, science, geography, history, modern foreign languages or computer science. Tutors need not have a teaching qualification, but must have enough knowledge in their chosen subject to support the students in their group(s). Successful candidates will be tutoring small

groups of up to six students outside of school hours for at least an hour a week, with plenty of overtime available. The pay is competitive and dependent on experience. To apply or for more information, please email admin@mosslands.wirral.sch.uk FAO Mr Baas.

Rome Trip

The deadline for the payment of the second deposit of £160 is Thursday 15th December. Please ensure we have received a copy of your son's passport.

STE@M Nomination

Our STE@M coordinator Mr Lam, has been nominated and selected as one of The Manufacturer Top 100 for 2022. Please click on the link below for the full story. Well done Mr Lam – a well-deserved nomination.

Drama Trip

Last Thursday, our Year 12 drama pupils went to the Unity Theatre in Liverpool to watch a verbatim performance called *STUFFED!* This piece explored the current cost

of living crisis and the impact that this is having on food bank charities. The group took part in a Q&A

session afterwards to discuss how they could offer support. An amazing opportunity for all; Mrs Brett commented on what great representatives for our school they are.

Medication In School

If you have any questions or concerns regarding medication in school, please contact the SEND Department.

Art Department

You can follow us on Instagram at art -mosslands to see some fabulous examples of the work produced by our students.
