Friday 17 th February	Year 11 Mock Interviews
	School Closes for Half Term 3.20pm

News

Year 9 Parents' Evening

Please keep a look out for an email inviting you to book your virtual appointments for this event on Thursday.

Year 11 Mock Interviews

Students should check the notice board by the careers office for times of their interviews next week.

Theatre Performance

Tomorrow, Year 10 will be watching a theatre production called Grass. The production addresses the importance of a moral compass when it comes to reporting serious violent crime and how someone's involvement in violent crime can impact their mental health. Grass was written by Perception Theatre. The production has been produced in partnership with Evolving Mindset CIC and funded by Merseyside VRP. The story was co-developed with young people across Merseyside and their input has heavily influenced the narrative, themes and issues covered within the production. The production will challenge the culture around being labelled a 'grass' and the connotations and perceptions that accompany the label, to empower young people to report serious violent crime.

TRACK Progress and Ambition Awards

TRACK Progress and Ambition Awards were given to the students who have made the most amount of improvement within each subject area. TRACK Student of the Half Term Awards were given to the pupils who have modelled all of the TRACK values across the half term for each subject.

There were lots of nominations from staff across the school, so well done to those who received an award for this half term. To see photos of the boys receiving their awards please check out our Facebook or Twitter pages.

Careers

This week was National Apprenticeship Week, please see attached letters from the Department for Education.

Library

Our Readathon took place this week with our keen readers completing an entire day of sponsored reading in the library. All of the money raised goes to Read for Good, a charity that provides new reading books and storytellers for local children's hospitals. So far, the boys have raised over £150, with more money still to come in. If you would like to sponsor our students and help raise money for a worthy cause, please click this
