

Dear Parents & Carers,

Our Safer Schools Officer, PC Emma, and her colleagues from Merseyside Police will be holding a bike marking event at school on Friday 3rd March 2023.

This is a tool that all police forces in the UK use to reunite hundreds of stolen bikes with their owners. There is normally a cost attached for bikes to be marked, so this is a great opportunity to have it done for free.

If you would like your child's bike marked please complete the below details and return the form to school by Wednesday 1st March 2023. Alternatively, your child can obtain a form from school reception. If we have a huge response we will repeat the event, but it will initially be on a first come first served basis.

Name
Form
Bike frame number
Make
Model
Description
Parent/ Carer name
Address
Parent/Carer Email
Parent/Carer mobile

By completing this form, you are consenting to this bike being placed on The Bike Register. Once registered, you will receive an email with simple instructions to follow.

For more information, please see website www.bikeregister.com.
