

The Mosslands School A TECHNOLOGY COLLEGE

Dear Parent/s

Year 10 Examination Results Published to SLG

The results of the recent Year 10 Internal Examinations have been uploaded to the SIMS Learning Gateway (SLG). This notice has been sent to support parent/s during the transition to a paperless system.

To ensure that all parents are able to access their son's report, we ask that on this occasion, you return the reply slip below to your son's Form Tutor by Monday 1st June 2015.

Please log on to the SIMS Learning Gateway (SLG) by following the link on the right of the school website below the calendar: www.mosslands.co.uk .

Should you experience any difficulty in accessing the website please indicate below the issues you are having and we will contact you to assist. We ask that ALL parents complete the reply slip even if they have successfully viewed their son's report.

Many thanks for your support during this transition period.

Yours sincerely

A F Whiteley Headteacher
