

Parent/Carer Guide to the National Online Safety Website & App

Brand New

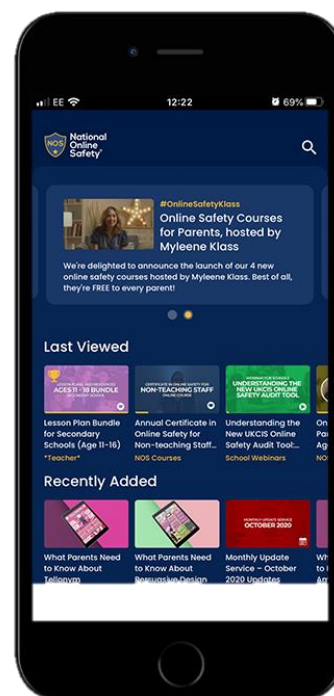

National Online Safety Mobile App It's time to get **#OnlineSafetySavvy**.

Children are spending more time than ever online. As adults, we need to do everything we can to keep them safe in the digital world. But with new apps, games and platforms emerging every day, how can you stay in the know?

Say hello to the new National Online Safety mobile application. Created by experts, developed by us. With all online safety knowledge available at your fingertips, the NOS app empowers parents and teachers to understand and address online safeguarding risks – any time, anywhere.

The world's most comprehensive online safety app, it's packed with insightful courses, explainer videos, webinars and guides on topics that will help you protect the kids you care about when they're online.

1. Search for the National Online Safety App in App Store/Google Play
2. Choose Register for Free
3. Select your account type as Parent
4. In the search school type **"The Mosslands School"**
5. Enter your details and a suitable password
6. You will now have access to online safety advice and support developed by experts – completely for free!
