Damages

The School will always seek to recover all costs and charges incurred with regard to reinstatement after damage to school facilities, infrastructure, furniture or assets, where an individual or individuals are identified.

Charges for damages may include third party contractor costs, and school Site Team working time costs.

Where more than one individual or several individuals are identified as directly causing or contributing to damage, a percentage will be apportioned based on proven culpability.

Culpability of individuals with regard to damage liability will be established by:

- Written statements of admission by those identified.
- Corroborative written statements by witnesses.
- Review of Closed Circuit Television (CCTV) footage.

Parent/Carers will be directly invoiced by the school. A staged payment period will be considered by the Headteacher on application and subject to mutual agreement. Overdue invoices (whether partially or fully outstanding) for payment will be pursued.
