

Friday 16th June 2016

Dear Parent/Carer,

Year 9 Examinations 2017

Examinations for Year 9 will take place from 26th until 29th June. These will take place in the Old Sports Hall for the majority of students. Normal lessons will take place when your son is not in an examination. The timetable of examinations for your son is shown below.

It is important that your son attends school during this period as the examinations provide valuable information about your son's progress and the results will contribute to set changes that take place between Year 9 and Year 10.

Students must ensure that they are in full uniform and properly equipped to take the tests and we would appreciate your support in ensuring that boys arrive for the examinations with full equipment including a calculator, protractor and pair of compasses.

In formal examinations, mobile phones and connective devices are not permitted. I would recommend that your son leaves such items at home on these days, or alternatively, he will need to hand them in at the beginning of the exam.

Yours sincerely

Mrs A M Hood
Assistant Head Teacher – Data, Assessment, Recording and Reporting
