

The Mosslands School

Summer Reading Bingo

Name: _____

The Rules:

1. Pick a square and once you've read the type of book listed, add the book title to that square.
2. In the same square, rate the book you have read by shading in the stars (1 star means you didn't like it, 5 stars means you loved it!)
3. Once you get a bingo line, in any direction, submit to the Library Classroom on Google Classroom or hand in to the librarian when we are back in school.

An accolade for every square completed and a prize for a completed bingo line!
