Maths Help

Please use the link below to register for a free webinar to get practical advice on ways to help your children with their maths, whether they are struggling with maths anxiety or stuck on their homework. And you will learn tips for keeping your own maths anxieties at bay too!

The webinar takes place on Wednesday 3rd November at 7:30pm. Use the link below to register.

Year 11 and 6th Form Survey on Image Sharing

We are asking Year 11 and 6th Form students to contribute to this research survey using the link <https://experienceofimagesharing.questionpro.eu/?&date=jun21&sch=158>

Library

This week we had a fantastic and utterly inspiring visit from local author Ashleigh Nugent, author of the Locks book. Working with our Year 10, Ashleigh encouraged our boys to make the right choices, find their true selves and be the best they can be. We had a great day with Ashleigh and hope to work with him again soon. Well done to our Year 10 students for engaging brilliantly throughout the day.

PE

As the winter is fast approaching, students are able to bring in warmer clothes to wear during PE lessons, such as longer tops or tracksuit bottoms. To ensure that school PE kit is still visible, students will be asked to wear any long-sleeved/legged items under their PE t-shirt and shorts. If there is an issue with PE kit then students are able to bring in a plain white or navy t-shirt and dark shorts. If you would like to discuss this further, please contact Mr Metcalfe on jakemetcalfe@mosslands.wirral.sch.uk.

New York

Please ensure all football sponsor money is paid into school on Monday, either by cash at the school office or by ParentPay.

Token Scheme

We are registered for the It's Good to Grow scheme run by Morrisons. When you do your shopping, 1 grow token is collected for every £10 you spend, which is then redeemed by school for gardening equipment such as hand tools and mini greenhouses. When shopping online, you go to your account and go to the Good to Grow section, search and select 'The Mosslands School' and donate your tokens – you only need to do this once and it will remember your choice for the future. When the scheme has finished

we can then redeem the tokens for equipment. We really appreciate your support.
