## News

### Face Coverings

Please continue to send your son into school with a face covering every day.

### Parent Governor Vacancy

Please see the attached letter regarding a vacancy for a parent governor.

### Non-uniform Day

On Friday 10<sup>th</sup> December, all students will be allowed to attend school wearing their own clothes. In return, we are asking for donations towards our Christmas hampers that we will be packing and distributing to local residents during the last week of term. We would love as many students as possible to bring in items such as mince pies, biscuits, chocolates,

crackers and any other festive treats. Form tutors will accept all donations.

### **Flu Vaccinations**

A reminder that flu vaccinations will be held in school next week. The deadline for consenting to the vaccination is midday on Monday 6<sup>th</sup> December. See attached letter for further information.

### **Year 10 Parents' Evening**

This virtual event will take place on Tuesday 14<sup>th</sup> December. Further information will be sent out shortly.

### **Work Experience Plea**

We have approximately ten 6<sup>th</sup> Form students, aged 16 & 17, who are studying for a L2 Engineering qualification and are in need of some work experience. They would be available all day on a Thursday and possibly a Monday afternoon. If any parents are aware of any local businesses that may be able to accommodate one student (or more) each week, please contact Mrs Danher at school or via email [sixthform@mosslands.wirral.sch.uk](mailto:sixthform@mosslands.wirral.sch.uk). Ideally, we would want these students to be placed in an engineering/construction environment, but we would welcome opportunities from other sectors too.

## **PSHE**

We have a number of PSHE events running next week, which are part of our normal programme to support our students in their anti-bullying awareness.

On Monday, all Year 7 will have an assembly presentation from Kooth, their TRACK lessons on Monday and Tuesday will see a further presentation to support their sign up to the website. We urge parents to discuss this with them as the website offers support throughout years 7-11.

On Monday, Tuesday and Wednesday, Year 9 and 10 forms will be having a one-lesson workshop with Diversity Role Models. They will have this session with their form tutor who will advise them of their timeslot on these days. For more information, their website is:
