Library

We kick off this term by introducing a new author - Onjali Q. Raúf. Her work draws heavily on her experiences and work for organisations including Women for Women International and as founder and CEO of the NGO's Making Herstory - an organisation that helps women and children who are victims of domestic violence, abuse and trafficking. Her first novel, *The Boy at the Back of the Class* - a moving and very funny story of children befriending a refugee at school, was influenced by her personal experience working at the border camps in Calais. This novel was a huge hit and won the Waterstones Children's Book

Prize in 2019. Since then she has written a number of fantastic and heart warming children's books including: *The Star Outside My Window*, *The Night Bus Hero* and *The Lion Above the Door*.

We are hugely proud to announce that last term's Readathon has raised over £290 for local hospitals. We still have some monies due in from the boys that took part, so this figure looks likely to rise even higher in the next few weeks. If your son took part in the Readathon, please encourage him to bring his sponsor money in as soon as possible or donate online using this
