Friday 4 th February	Year 10 House Football 3.15-4pm

News

COVID-19 Vaccinations

A reminder that vaccinations will be taking place on Thursday in school. A copy of the letter with information on how to register is available on our

school website in the [School Letters](#) section. If you require any further information regarding the vaccinations, please contact the Immunisation Team as per the letter.

Careers Fair

We were delighted to welcome local employers and education providers to school to take part in our annual careers fair on Wednesday. Students from years 8, 10, 11 and 13 were invited to attend and had the opportunity to find out more about the wide range of options that will be available to them when they leave.

The boys really enjoyed the day, and it was fantastic to sow the seeds of inspiration for younger students, whilst the older students developed their ideas more firmly. One of the visitors said after the event, *"Brilliant students, very engaged in the information provided."*

Events such as this are a powerful tool for building ambition, which in turn encourages students with their school attainment. Please do use this occasion as a chance to ask your son about some of his ideas for his future. It really does make a difference.

If you are an employer who feels that this is something you would like to attend - then do let us know. We are always pleased to hear from local employers, and we have many different events where you could work with us.

Cycling Course

Boys in years 7-10 have been offered a 3-day cycling course to be run from school on 14th - 16th February. There are some places left. If your son/ward is interested, please see the link below and book his place.

[Own The Ride: Share The Road \(bikeright.co.uk\)](http://bikeright.co.uk)

STEM

On Wednesday, boys from Year 8 & 9 will be involved in a STEM workshop - The Energy Quest. It is a curriculum-linked programme for schools, which encourages young people to find out all about sustainable energy and learn about associated engineering careers.

Maths Support Session

A reminder that parents of boys in years 9 and 10 have been invited to a maths support session on Thursday 10th February. Further details can be found in the letter in the [School Letters](#) section of the school website.

Library

Harry Potter Book Night will be taking place on Thursday 17th February from 3:15 to 4:15 and includes quizzes, puzzles, prizes and sweets! We ask fans of the wizarding world of Harry Potter to sign up

to this event with Mrs Barton as soon as possible to reserve their place.

PE

We are selling bobble hats that students can wear in PE during the winter. Hats cost £5 and are available to buy online via ParentPay or cash at the school office.

PE intervention sessions for years 10 and 11 will start at 8am on Thursday 3rd February in the 6th Form centre.

Attached Fliers

Dyslexia Study – information regarding a dyslexia study which may interest some of our parents.

Kooth -information about the support that Kooth can offer young people with their mental health and wellbeing.

National Apprenticeship Week Event - online event on 9th February, showcasing apprenticeship opportunities for students in Year 11 and 6th Form.

Art Department

You can follow us on Instagram at [mosslands_art](#) to see some fabulous examples of the work produced by our students.

Fundraising for Mosslands

Don't forget to order your online shopping through "Easyfundraising.com" to help raise money for school.
