

Dear Parent/Carer

**Year 11 additional mock examinations in English and Maths**  
**16<sup>th</sup> March 2022 – 18<sup>th</sup> March 2022**

Today your son has received details of mock GCSE Examinations which are taking place in March. A copy of the full timetable can be seen overleaf and students are asked to read this carefully.

Each student will receive their own personal timetable that details all their examinations **including start times** and seating arrangements. Students should arrive outside their examination room 10 minutes before the exams official start time.

The regular school timetable is suspended to enable these examinations to take place.

This is a crucial set of examinations for the Year 11 students allowing them to demonstrate their progress to date in these core subjects. In the current situation with regard to disruption caused by the pandemic, it is entirely possible that these assessments may also be used as evidence towards final performance by the examining bodies.

Please note that in all examinations, mobile phones, watches, MP3 players and any other connective devices are not permitted. I would recommend that your son leaves such items at home on these days, or alternatively, he will need to hand them in at the beginning of each exam.

Your son is only expected to be on-site for the examinations as detailed in his personal timetable. Where he has no examination, your son will be allowed home on study leave using Google Classroom to revise.

Normal lessons resume on Monday 21<sup>st</sup> March for all students.

Thank you for your support in ensuring that your son is aware of the attached schedule and that he attends promptly as required.

Yours sincerely

Mr Adrian Whiteley  
Headteacher
