## Library

Throughout the year, we nominate a book to be

our **Book of the Week**, which is explored further during our TRACK time.

This week's book is Katya Balen's *The Space We're In* which is told from the view of 10-year-old Frank, who loves cottage pie, football and cracking codes, but is often frustrated by how much of his parents' time is focused on his autistic brother Max. When life throws something incredibly tragic their way, Frank endeavours to repair his fractured family and in doing so, learns to love his brother for who he is. A heart-warming and honest story that is not to be missed! This week is National Libraries Week and what better way to celebrate than visiting your local library this weekend! For book recommendations that may help your child pick a book, reading events and the latest goings on in our new school library, follow @library\_mosslands on Instagram.

## Bikeability

We are excited to be working with BikeRight to offer Bikeability Level 1/2 combined courses in May to boys in years 7 to 9. Please click on the link below for

more information about the course and to provide consent for your child to participate.

## Fundraising

We were delighted recently to be able to hand over two cheques to charity as a result of ice cream sales at break and lunchtime. Thanks to our efforts at ice cream eating, we were able to make donations to Clatterbridge Cancer Care and Wirral Holistic Care Services. Well done to all concerned!

## Tall Ships

One of our students on the recent Tall Ships trip has been offered the chance to train as a watch leader for the Tall Ships Company. This is a tremendous opportunity and is in direct recognition of his work on the trip. Well done!

## Medication In School

If you have any questions or concerns regarding medication in school, please contact the SEND Department.

## Art Department

You can follow us on Instagram at art -mosslands to see some fabulous examples of the work produced by our students.

## Fundraising for Mosslands
